

Original Heidelberg Parts

Fold Roller Kits

More affordable than ever. Better value for your money.

Add new life to your Stahlfolder with our Performance Kits! Each kit includes a full set of **fold rollers, bearings, cup washers, shims** and **side frame bushings**.

Kits are available for most folders 1990 and newer with a format size of 56 cm to 82 cm (excluding knife and combination folders). Enjoy significant savings over the price of individual parts!

It's as easy as 1 - 2 - 3

1. Choose your roller style – Extra-Grip, Hard or Soft Polyurethane

Extra-Grip: Standard on Stahlfolders since 2004

- Perfect “Grip” on the paper resulting in the best productivity and folding quality
- No marks on critical paper
- Excellent folding accuracy, exact transport of the signature
- Low static charge

2. Choose professional installation or self installation

If you choose professional installation, our factory trained technician will:

- Remove and replace the fold rollers, bearings, shims and cup washers
- Block (square) the fold plates to factory specifications using special gauges
- Test run the folder
- Install new lubrication cartridges
- Perform a general inspection of the folder
- Make recommendations to help enhance and improve performance

3. Place your order

Call 1 800 437 7388, then prompt 1 or visit
